PRESIDENT'S RECOMMENDATION UNDER ARTICLES 117 AND  
274 OF THE CONSTITUTION OF INDIA

[Copy of letter No. F. 3(1)-B(D)/89, dated the 28th February, 1989 from Shri S. B. Chavan, Minister of Finance, to the Secretary-General, Lok Sabha.]

The President, having been informed of the subject matter of the proposed Bill, recommends under clauses (1) and (3) of article 117, read with clause (1) of article 274, of the Constitution of India, the introduction of the Finance Bill, 1989 to the Lok Sabha and also recommends to the Lok Sabha the consideration of the Bill.

2. The Bill will be introduced in the Lok Sabha immediately after the presentation of the Budget on the 28th February, 1989.

*Notes on clauses*

Clause 2, read with the First Schedule to the Bill, seeks to prescribe the rates at which income-tax (including surcharge thereon) is to be levied on income chargeable to tax for the assessment year 1989-90. Further, it lays down the rates at which tax is to be deducted at source during the financial year 1989-90 from income subject to such deduction under the income-tax Act; and the rates at which "advance tax" is to be paid and tax is to be calculated and charged in special cases for the financial year 1989-90.

*Rates of income-tax for the assessment year 1989-90*

Part I of the First Schedule to the Bill specifies the rates of income-tax on incomes liable to tax for the assessment year 1989-90. These rates are the same as those specified in Part III of the First Schedule to the Finance Act, 1988, for the purposes of deduction of tax at source from 'Salaries' and for computation of "advance tax" payable during the financial year 1988-89.

As provided by the Finance Act, 1988, the amount of income-tax computed in accordance with the provisions of this Part shall in the case of every person having income exceeding fifty thousand rupees be increased,—

(i) in the case of every person, being a resident, not being an Indian company, by a surcharge for purposes of the Union, and

(ii) in the case of an Indian company, by a surcharge, calculated at the rate of 5 per cent. of such income-tax.

*Rates for deduction of tax at source during the financial year 1989-90 from income other than "Salaries"*

Part II of the First Schedule to the Bill specifies the rate at which income-tax is to be deducted at source during the financial year 1989-90 from incomes other than "Salaries". These rates are the same as those specified in Part II of the First Schedule to the Finance Act, 1988, for the purposes of deduction of tax at source during the financial year 1988-89. The amount of tax so deducted at source shall be increased,—

(i) in the case where the payment is made to a person, other than a company, resident in India, by a surcharge for purposes of the Union,

(ii) in the case of a person, being a domestic company, by a surcharge,

calculated at the rate of 8 per cent. of such income-tax.

*Rates for deduction of tax at source from "Salaries", computation of "advance tax" and charging of income-tax in special cases during the financial year 1989-90*

Part III of the First Schedule to the Bill specifies the rates at which income-tax is to be deducted at source from "Salaries" and also the rates at which "advance tax" is to be paid and income-tax is to be calculated or charged in special cases for the financial year 1989-90.

Sub-Paragraph 1 of Paragraph A of this part specifies the rates of income-tax in the case of every individual or Hindu undivided family or every association of persons or body of individuals, whether incorporated or not, or every artificial judicial person referred to in sub-clause (vii) of clause (31) of section 2 of the Income-tax Act, not being a case to which Sub-Paragraph II of Paragraph A or any other Paragraph of Part III applies. In such cases, the rate of income-tax in respect of total income exceeding Rs. 18,000 but not exceeding Rs. 25,000 has been reduced from 25 per cent. to 20 per cent. in relation to the financial year 1989-90.

In the case of every person being an individual, Hindu undivided family, association of persons or body of individuals, being resident in India, co-operative society and local authority, whose total income exceeds fifty thousand rupees and where income-tax is to be deducted at source or "advance tax" is payable in accordance with the provisions of this Part, such amount of income-tax shall be increased by a surcharge for purposes of the Union calculated at the rate of eight per cent of such income-tax. In the case of domestic companies having a total income exceeding fifty thousand rupees, the amount of income-tax computed in accordance with the provisions of this Part shall be increased by a surcharge calculated at the rate of eight per cent. of such income-tax.

Clause 3 seeks to amend section 2 of the Income-tax Act to insert on *Explanation* at the end of clause (1A) so as to clarify that revenue derived from land shall not include and shall be deemed never to have included any income arising from the transfer of any land referred to in item (a) or item (b) of sub-clause (iii) of clause (14) of this section.

This amendment will take effect retrospectively from 1st April, 1970 and will, accordingly, apply in relation to the assessment year 1970-71 and subsequent years.

Clause 4 seeks to amend section 10 of the Income-tax Act relating to incomes not to be included in the total income.

A scheme to protect persons borrowing foreign currency from public financial institutions from the risks involved in such borrowings on account of fluctuations in exchange rate of foreign currencies is proposed to be evolved by setting up Exchange Risk Administration Fund. The public financial institutions will make suitable contribution to the corpus of the said Fund. The principal repayment obligations of persons borrowing foreign currency from such institutions will be "rupee-tied" at the rates of exchange prevailing on the date of such borrowing. The persons borrowing foreign currencies from such institutions will be required to pay a composite cost in the form of interest and exchange risk premium. The said premium will be required to be credited to the said Fund.

With a view to giving effect to the said scheme, sub-clause (a) seeks to insert a new clause (14A) to exclude from the total income, any income received by a public financial institution as exchange risk premium

The proviso to the new clause specifies a condition in relation to the proposed exemption to say that where any amount standing to the credit of the Fund and not charged to income-tax during any previous year is shared, either wholly or in part, with a public financial institution, the whole of the amount so shared shall be deemed to be the income of the previous year in which such amount is so shared and shall accordingly be chargeable to income-tax.

This amendment will take effect from 1st April, 1989.

Sub-clause (d) seeks to insert a new clause (26AA) to exempt the income of a person by way of winnings from any lottery the draw of which is held in pursuance of any agreement entered into on or before the 28th day of February, 1989 between the State Government of Sikkim and the organising agents of such lottery where such person is resident in the State of Sikkim in any previous year. The *Explanation* to the new clause clarifies that a person will be deemed to be a resident in the State of Sikkim in accordance with the provisions of clauses (1) to (4) of section 6 of the Act.

## FINANCIAL MEMORANDUM

Chapter V of the Bill provides for the levy of a new tax to be known as inland air travel tax in respect of inland journeys by passengers in an aircraft.

The new tax will necessitate employment of additional staff in the Customs and Central Excise field formations and the Directorate General of Inspection (Customs and Central Excise). This is expected to involve a total annual recurring expenditure of about Rs. 20 lakhs. To the extent the collection of the tax is entrusted to any State Government or the International Airports Authority of India or the National Airports Authority or carriers who may be authorised by the Central Government in this behalf, it will be necessary to incur expenditure for payment of collection charges. The exact expenditure to be incurred for such collection, which will be of a recurring nature, cannot be estimated at this stage.

The provisions of the said Chapter do not involve any other expenditure, whether of a recurring or of a non-recurring nature.
